2	<h2 style="text-align: center;">A Fine Romance</h2>
1	<p>A fine romance with no kisses  A fine romance, my friend this is  We should be like a couple of hot tomatoes  But you're as cold as yesterday's mashed potatoes</p> <p>A fine romance, you won't nestle  A fine romance, you won't wrestle  I might as well play bridge with my old maid aunt  I haven't got a chance, this is a fine romance</p>
2	<p>A fine romance, my good fellow  A fine romance, I'll take jello  You're calmer than the seals in the Arctic Ocean  At least they flap their fins to express emotion</p> <p>A fine romance with no quarrels  With no insults and all morals  I've never mussed the crease in your blue serge pants  I never get the chance, this is a fine romance</p>
3	<p>A fine romance with no kisses  A fine romance, my friend this is  We two should be like clams in a dish of chowder  But we just fizz like parts of a Seidlitz powder</p> <p>A fine romance with no clinches  A fine romance with no pinches  You're just as hard to land as the Isle de France  I haven't got a chance, this is a fine romance</p>

3	<h2 style="text-align: center;">A Foggy Day in London Town</h2>
1	<p>A foggy day in London town          Had me low and had me down          I viewed the morning with alarm          The British Museum had lost its charm</p> <p>How long, I wondered, could this thing last?          But the age of miracles hadn't passed          For, suddenly, I saw you there          And through foggy London town          The sun was shining everywhere</p>

7	<h2 style="text-align: center;">After You've Gone</h2>
1	<p>After you've gone and left me crying          After you've gone, there's no denying          You'll feel blue, you feel sad          You'll miss the dearest gal you ever had</p> <p>There'll come a time, now don't forget it          There'll come a time, when you'll regret it          Someday when you'll get lonely          Your heart will break like mine and you'll want me only          After you've gone, after you've gone away</p>

8	<b>Ain't Misbehavin'</b>	
1	<p>No one to talk with, all by myself  No one to walk with, but I'm happy on the shelf  Ain't misbehavin', I'm savin' my love for you</p> <p>I know for certain, the one I love  I'm through with flirtin', it's just you I'm thinkin' of  Ain't misbehavin', I'm savin' my love for you</p> <p>Like Jack Horner, in the corner  Don't go nowhere, what do I care?  Your kisses are worth waitin' for, believe me</p> <p>Il don't stay out late, don't care to go  I'm home about eight, just me and my radio  Ain't misbehavin', I'm savin' my love for you</p>	

9	<b>Ain't She Sweet</b>	
1	<p>Ain't she sweet? See her walking down that street  Yes, I ask you very confidentially, ain't she sweet?</p> <p>Ain't she nice? Look her over once or twice  Yes, I ask you very confidentially, ain't she nice?</p> <p>Just cast an eye in her direction  Oh me oh my, ain't that perfection?</p> <p>I repeat, don't you think that's kind of neat?  Yes, I ask you very confidentially, ain't she sweet?</p>	

10	<b>All Of Me</b>
1	<p>All of me, why not take all of me          Can't you see, I'm no good without you          Take my lips, I want to lose them          Take my arms, I'll never use them</p> <p>Your goodbye left me with eyes that cry          How can I go on dear without you          You took the part that once was my heart          So why not take all of me</p>

12	<b>All The Things You Are</b>
1	<p>You are the promised kiss of springtime          That makes the lonely winter seem long.</p> <p>You are the breathless hush of evening          That trembles on the brink of a lovely song.</p> <p>You are the angel glow that lights a star,          The dearest things I know are what you are.</p> <p>Some day my happy arms will hold you,          And some day I'll know that moment divine,          When all the things you are, are mine!</p>

13	<b>Am I Blue</b>
1	<p>Am I blue? Am I blue?  Ain't these tears  in my eyes telling you?  Am I blue? You'll be too,  If each plan with you man  done fell through.</p> <p>There was a time I was his only one,  But now I'm the sad  and lonely one, 'Lawdy,'  Was I gay 'til today,  Now he's gone and we're through,  Am I blue?</p>

14	<b>April in Paris</b>
1	<p>April in Paris chestnuts in blossom  Holiday tables under the trees  April in Paris this is a feeling  No one can ever reprise</p> <p>I never knew the charm of spring  Never met it face to face  I never knew my heart could sing  Never missed a warm embrace</p> <p>Till April in Paris  Whom can I run to?  What have you done to my heart?</p>

16	<h2 style="text-align: center;">As Times Go By</h2>
1	<p>You must remember this:  A kiss is still a kiss,  A sigh is just a sigh.  The fundamental things apply  As time goes by.</p> <p>And when two lovers woo  They still say, "I love you."  On that you can rely,  No matter what the future brings.  As time goes by.</p> <p>Moonlight and love songs: never out of date.  Hearts full of passion, jealousy and hate.  Woman needs man, and man must have his mate.  That no one can deny.</p> <p>It's still the same old story.  A fight for love and glory.  A case of do-or-die.  The world will always welcome lovers  As time goes by.</p>

17	<h2 style="text-align: center;">Autumn In New York</h2>
1	<p>Autumn in New York  Why does it seem so inviting?  Autumn in New York  It spells the thrill of first-nighting  Glittering crowds  And shimmering clouds  In canyons of steel  They're making me feel  I'm home</p> <p>It's autumn in New York  That brings the promise of new love  Autumn in New York  Is often mingled with pain  Dreamers with empty hands  May sigh for exotic lands  It's autumn in New York  It's good to live it again</p>

18	<h2 style="text-align: center;">Autumn Leaves</h2>
1	<p>The falling leaves drift by the window  The autumn leaves of red and gold</p> <p>I see your lips, the summer kisses  The sun-burned hands I used to hold</p> <p>Since you went away the days grow long  And soon I'll hear old winter's song</p> <p>But I miss you most of all my darling  When autumn leaves start to fall</p>

21	<h2 style="text-align: center;">Basin Street Blues</h2>
1	<p>Won't you come along with me  To the Mississippi  We'll take a boat to the land of dreams  Steam down the river, down to New Orleans</p> <p>The band's there to meet us  Old friends there to greet us  Where all the proud and elite folks meet  Heaven on earth, they call it Basin Street</p> <p>Basin Street is the street  Where the best folks always meet  In New Orleans, land of dreams  You'll never know how nice it seems,  Or just how much it really means</p> <p>Glad to be, oh yes-sirree  Where welcome's free and dear to me  Where I can loses, lose my Basin Street Blues</p>

23	<h2 style="text-align: center;">Bewitched, Bothered and Bewildered</h2>
1	<p>I'm wild again, beguiled again  A simpering, whimpering child again  Bewitched, bothered, and bewildered am I</p> <p>Couldn't sleep and wouldn't sleep  When love came and told me I shouldn't sleep  Bewitched, bothered and bewildered am I</p> <p>Lost my heart, but what of it  He is cold I agree  He can laugh, but I love it  Although the laugh's on me</p> <p>I'll sing to him, each spring to him  And long for the day when I'll cling to him  Bewitched, bothered, and bewildered am I</p>
2	<p>I've sinned a lot, I mean a lot  But I'm like sweet seventeen a lot  Bewitched, bothered, and bewildered am I</p> <p>I'll sing to him, each spring to him  And worship the trousers that cling to him  Bewitched, bothered, and bewildered am I</p> <p>When he talks, he is seeking  Words to get off his chest  Horizontally speaking, he's at his very best</p> <p>Vexed again, perplexed again  Thank God, I can be oversexed again  Bewitched, bothered, and bewildered am I</p>

31	<h2 style="text-align: center;">Blue Moon</h2>
1	<p>Blue moon, you saw me standing alone  Without a dream in my heart  Without a love of my own</p> <p>Blue moon, you knew just what I was there for  You heard me saying a prayer for  Someone I really could care for</p> <p>And then there suddenly appeared before me  The only one my arms will hold  I heard somebody whisper, "Please adore me"  And when I looked, the moon had turned to gold</p> <p>Blue moon now I'm no longer alone  Without a dream in my heart  Without a love of my own</p>

33	<h2 style="text-align: center;">Blue Skies</h2>
1	<p>Blue skies smiling at me  Nothing but blue skies do I see</p> <p>Bluebirds Singing a song  Nothing but bluebirds all day long</p> <p>Never saw the sun shining so bright  Never saw things going so right  Noticing the days hurrying by  When you're in love, my how they fly</p> <p>Blue days All of them gone  Nothing but blue skies from now on</p>

34	<h2 style="text-align: center;">Body and Soul</h2>
1	<p>My heart is sad and lonely  For you I sigh, for you dear only  Why haven't you seen it?  I'm all for you, body and soul</p> <p>I spend my days in longing  And wondering why it's me you're wronging  I tell you, I mean it  I'm all for you, body and soul</p> <p>I can't believe it  It's hard to conceive it  That you'd turn away romance  Are you pretending?  It looks like the ending  Unless, I could have one more chance to prove, dear</p> <p>My life a wreck you're making  You know I'm yours for just the taking  I'd gladly surrender  Myself to you, body and soul</p>

35	<h2 style="text-align: center;">But Not For Me</h2>
1	<p>They're writing songs of love, but not for me  A lucky star's above, but not for me</p> <p>With love to lead the way I've found more clouds of grey  Than any Russian play could guarantee</p> <p>I was a fool to fall and get that way  Heigh-ho! Alas! And also, lack-a-day</p> <p>Although I can't dismiss the memory of her kiss  I guess she's not for me</p>

36	<b>Bye Bye Blackbird</b>
1	<p>Pack up all my cares and woe, Here I go swingin' low, Bye bye blackbird.</p> <p>Where somebody waits for me, Sugar's sweet, so is he, Bye bye blackbird.</p> <p>No one here can love or understand me, Oh what hard luck stories, they all hand me.</p> <p>Make my bed, light my light, I'll arrive late tonight, Blackbird, bye bye.</p>

37	<b>Can't We Be Friends</b>
1	<p>I thought I'd found the man of my dreams Now it seems, this is how the story ends He's going to turn me down and say "Can't we be friends?"</p> <p>I thought for once it couldn't go wrong Not for long! I can see the way this ends He's going to turn me down and say "Can't we be friends?"</p> <p>Never again, through with love Through with men They play their game without shame And who's to blame?</p> <p>I thought I'd found a man I could trust What a bust, this is how the story ends He's going to turn me down and say "Can't we be friends?"</p>

## Cheek To Cheek

1

Heaven, I'm in heaven  
And my heart beats so that I can hardly speak  
And I seem to find the happiness I seek  
When we're out together dancing cheek to cheek

Heaven, I'm in heaven  
And the cares that hung around me through the week  
Seem to vanish like a gambler's lucky streak  
When we're out together dancing cheek to cheek

Oh I love to climb a mountain  
And reach the highest peak  
But it doesn't thrill me half as much  
As dancing cheek to cheek

Oh I love to go out fishing  
In a river or a creek  
But I don't enjoy it half as much  
As dancing cheek to cheek

Come on and dance with me  
I want my arms about you  
That charm about you  
Will carry me through

To heaven, I'm in heaven  
And my heart beats so that I can hardly speak  
And I seem to find the happiness I seek  
When we're out together dancing cheek to cheek

42	<h2 style="text-align: center;">Come Rain Or Come Shine</h2>
1	<p>I'm gonna love you like nobody loved you  Come rain or come shine  High as a mountain, deep as a river  Come rain or come shine</p> <p>I guess when you met me  It was just one of those things  But don't ever bet me  'Cause I'm gonna be true if you let me</p> <p>You're gonna love me like nobody loved me  Come rain or come shine  Happy together, unhappy together  And won't it be fine?</p> <p>The days may be cloudy or sunny  We're in or we're out of the money  But I'm with you always  I'm with you rain or shine</p>

45	<h2 style="text-align: center;">Days of Wine and Roses</h2>
1	<p>The days of wine and roses  laugh and run away like a child at play  Through the meadow land toward a closing door  A door marked "nevermore" that wasn't there before</p> <p>The lone-ly night discloses  just a passing breeze filled with memories  Of the golden smile that introduced me to  The days of wine and roses and you</p>

## Do You Know What It Means

1

Do you know what it means to miss New Orleans  
And miss it each night and day?

I know I'm not wrong  
The feeling's getting stronger  
The longer I stay away

Miss the moist-covered vines, the tall sugar pines  
Where mockingbirds used to sing  
And I'd like to see the lazy Mississippi  
A hurrying into spring

The Mardi Gras, the memories  
Of Creole tunes that filled the air  
I dream of oleanders in June  
And soon, I'm wishing that I was there

Do you know what it means  
To miss New Orleans  
When that's where you left your heart?  
And there's something more  
I miss the one I care for  
More than I miss New Orleans

160	<h2 style="margin: 0;">Doxy</h2>
1	<p>I moved around a lot, when I was a kid cause my daddy was the traveling type</p> <p>The last thing in the world that he liked to do, was to watch the box and smoke a pipe</p> <p>Oh, we lived all over the city and country</p> <p>And that's the reason why I got itchy feet and I wanna tell this town good-bye</p>
2	<p>The only thing I'd miss, yeah, after I'm gone is this very special woman I know</p> <p>She's got a lot of ways to get me to stay, cause she doesn't seem to want me to go</p> <p>Ain't she wild that Doxy, she wild and foxy</p> <p>And when I need to sooth the sting of my traveling bug Doxy makes the highway fever go</p>

50	<h2 style="margin: 0;">Drop Me Off in Harlem</h2>
1	<p>Drop me off in Harlem, any place in Harlem, There's someone waiting there Who makes it seem like Heaven up in Harlem.</p> <p>I don't want your Dixie, You can keep your Dixie, There's no one down in Dixie who can take me 'Way from my hot Harlem.</p> <p>Harlem has those southern skies, They're in my baby's smile, I idolize my baby's eyes and Classy up-town style.</p> <p>If Harlem moved to China, I know of nothing finer, Than to stow away on a plane, some day and have them Drop me off in Harlem.</p>

52	<h2 style="margin: 0;">Easy Living</h2>
1	<p>Living for you it's easy living  It's easy to live when you're in love  And I'm so in love  There is nothing in life but you</p> <p>I never regret the years I'm giving  They're easy to give  when you're in love  I'm happy to do, whatever I do for you</p> <p>For you - maybe I'm a fool  But it's fun  People say you rule me with one wave of your hand  Darling, it's grand  They just don't understand</p> <p>Living for you it's easy living  It's easy to live when you're in love  And I'm so in love  There's nothing in life but you</p>

54	<h2 style="margin: 0;">Everything But You</h2>
1	<p>You left me a horse from Texas,  A house with installments due,  A letter with lots of X-S  Everything but you.</p> <p>You left me some beans from Boston,  A bicycle built for two,  A memory to get lost in,  Everything but you.</p> <p>Each day was so gay and so daring,  I loved every breathtaking minute,  For how could I know I was sharing  A kiss without a future in it.</p> <p>You left me a dream to room with,  A coffee pot from Peru,  A knife and fork to spoon with,  Everything but you.</p>

55	<h2 style="text-align: center;">Everything Happens to Me</h2>
1	<p> I make a date for golf -  You can bet your life it rains  I try to give a party -  And the guy upstairs complains  I guess I'll go thru life;  Just catching colds and missing trains  Everything happens to me </p> <p> I never miss a thing -  I've had measles and the mumps  And ev'ry time I play an ace -  My partner always trumps  I guess I'm just a fool;  Who never looks before she jumps  Everything happens to me </p> <p> At first my heart thought  You could break this jinx for me  That love would turn the trick  To end my despair  But now, I just can't fool  This head that thinks for me  I've mortgaged all my castles in the air </p> <p> I've telegraphed and called;  I sent "Air Mail Special", too;  Your answer was goodbye -  And there was even postage due  I fell in love just once;  And then it had to be with you  Everything happens to me </p>

56	<b>Exactly Like You</b>
1	<p>I know why I've waited          Know why I've been blue          Prayed each night for someone          Exactly like you</p> <p>Why should we spend money          On a show or two          No one does those love scenes          Exactly like you</p> <p>You make me feel so grand          I want to hand the world to you          I hope you'll understand          Each foolish little scheme I'm schemin'          And dream I'm dreamin'</p> <p>Now I know why mother          Taught me to be true          She meant me for someone          Exactly like you</p>

57	<b>Fly Me to the Moon</b>
1	<p>Fly me to the moon          Let me play among the stars.          Let me see what spring is like          On, Jupiter and Mars.          In other words, hold my hand,          In other words, darling, kiss me.</p> <p>Fill my heart with song          And let me sing for ever more.          You are all I long for,          All I worship and adore.          In other words, please be true          In other words, I love you.</p>

59	<h1>Four</h1>
1	<p>Of the wonderful things that you get out of life there are four. And they may not be many but nobody needs any more. Of the many facts making the list of life, Truth takes the lead. And to relax knowing the gist of life, it's truth you need.</p> <p>Then the second is honor and happiness makes number three. When you put them together you know what the last one must be. Baby so truth, honor and happiness and one thing more, meaning only wonderful, wonderful love that'll make four.</p>

59	<b>Gee Baby, Ain't I Good To You</b>
1	<p>Love makes me treat you the way I do  Gee baby, ain't I good to you?  There's nothing too good for a girl so true  Mama, ain't I good to you?  Yes, I bought you furs for Christmas  And a diamond ring, a Cadillac car and everything  Love makes me treat you the way I do  Gee baby, ain't I good to you?  Love makes me treat you the way that I do</p>

60	<b>Georgia on my mind</b>
1	<p>Georgia, Georgia,  The whole day through  Just an old sweet song  Keeps Georgia on my mind</p> <p>Georgia, Georgia  A song of you  Comes as sweet and clear  As moonlight through the pines</p> <p>Other arms reach out to me  Other eyes smile tenderly  Still in peaceful dreams I see  The road leads back to you</p> <p>Georgia, Georgia,  No peace I find  Just an old sweet song  Keeps Georgia on my mind</p>

61	<h2 style="text-align: center;">Girl From Ipanema</h2>
1	<p>Tall and tan and young and lovely  The girl from Ipanema goes walking  And when she passes, each one she passes goes "aah"</p> <p>When she walks, she's like a samba  That swings so cool and sways so gentle that  When she passes, each one she passes goes "ooh"</p> <p>Ooh, but I watch her so sadly  How can I tell her I love her?  Yes I would give my heart gladly  But each day, when she walks to the sea  She looks straight ahead, not at me</p> <p>Tall, and tan, and young, and lovely  The girl from Ipanema goes walking and  When she passes, I smile but she doesn't see, doesn't see</p>

62	<h2 style="text-align: center;">Here's That Rainy Day</h2>
1	<p>Maybe I should have saved Those leftover dreams  Funny, but here's that rainy day</p> <p>Here's that rainy day they told me about  And I laughed at the thought that it might turn out this way</p> <p>Where is that worn out wish that I threw aside  After it brought my lover near</p> <p>Funny how love becomes a cold rainy day  Funny that rainy day is here</p>

63	<h1>Honeysuckle Rose</h1>
1	<p>Every honey bee fills with jealousy, When they see you out with me. Goodness knows You're my Honeysuckle Rose</p> <p>When you're passin' by flowers droop and sigh, And I know the reason why. Goodness knows You're my Honeysuckle Rose</p> <p>Don't buy sugar, You just have to touch my cup. You're my sugar. It's sweeter when you stir it up.</p> <p>When I'm taking sips from your tasty lips Seems the honey fairly drips. Goodness knows You're my Honeysuckle Rose</p>

64	<h2 style="text-align: center;">How Deep Is The Ocean</h2>
1	<p>How much do I love you?  I'll tell you no lie  How deep is the ocean?  How high is the sky?</p> <p>How many times a day do I think of you? <b>133</b>	<b>On a Slowboat To China</b>
1	<p>I'd love to get you on a slow boat to China,  All to myself, alone.  Get you and keep you in my arms evermore,  Leave all your lovers weeping on the far away shore.</p> <p>Out on the briny with a moon big and shiny  Melting your heart of stone.  I'd love to get you on a slow boat to China,  All to myself, alone.</p>

<b>134</b>	<b>On Green Dolphin Street</b>
1	<p>Lover, one lovely day  Love came planning to stay  Green Dolphin Street supplied the setting  The setting for nights beyond forgetting</p> <p>And through these moments apart  Mem'ries live in my heart  When I recall the love I found on  I could kiss the ground on  Green Dolphin Street</p>

<b>135</b>	<b>On the Sunny Side of the Street</b>
1	<p>Grab your coat. Grab your hat  Leave your worries on the doorstep  Just direct your feet  On the sunny side of the street</p> <p>Can't you hear a pitter-pat?  And that happy tune is your step  Life can be so sweet  On the sunny side of the street</p> <p>I used to walk in the shade  With those blues on parade  But I'm not afraid  My Rover's crossed over</p> <p>If I never have a cent  I'd be rich as Rockefeller  With gold dust at my feet  On the sunny side of the street</p>

136	<h2 style="text-align: center;">Our Love is Here To Stay</h2>
1	<p>             It's very clear              Our love is here to stay              Not for a year              But ever and a day              The radio and the telephone              And the movies that we know              May just be passing fancies              And in time may go           </p> <p>             But, oh my dear,              Our love is here to stay              Together we're going a long, long way              In time the Rockies may crumble              Gibraltar may tumble              They're only made of clay              But our love is here to stay           </p>

137	<h2 style="text-align: center;">Out of Nowhere</h2>
1	<p>             You came to me from out of nowhere              You took my heart and found it free              Wonderful dreams, wonderful schemes from nowhere              Made every hour sweet as a flower for me           </p> <p>             If you should go back to your nowhere              Leaving me with the memory              I'll always wait for your return out of nowhere              Hoping you'll bring your love to me           </p>

138	<h2 style="text-align: center;">Over The Rainbow</h2>
1	<p>Somewhere over the rainbow Way up high There's a land that I heard of Once in a lullaby</p> <p>Somewhere over the rainbow Skies are blue And the dreams that you dare to dream Really do come true</p> <p>Someday I'll wish upon a star And wake up where the clouds are far behind me Where troubles melt like lemon drops Away above the chimney tops That's where you'll find me</p> <p>Somewhere over the rainbow Bluebirds fly Birds fly over the rainbow Why then, oh, why can't I?</p>

139	<h2 style="text-align: center;">Pennies From Heaven</h2>
1	<p>Oh, every time it rains, It rains Pennies from heaven Don't you know each cloud contains Pennies from heaven You'll find your fortune fallin' all over town Be sure that your umbrella is upside down</p> <p>Trade them for a package of Sunshine and flowers If you want the things you love You must have showers So when you hear it thunder Don't run under a tree There'll be pennies from heaven For you and me</p>

143	<h2 style="text-align: center;">Please Don't Talk About Me</h2>
1	<p>Please don't talk about me when I'm gone  Oh, honey though our friendship ceases, from now on</p> <p>And, listen, if you can't say anything real nice  It's better not to talk at all, is my advice</p> <p>We're parting, you go your way I'll go mine  It's best that we do, here's a kiss  I hope that this brings lots of luck to you</p> <p>Makes no difference how I carry on  Remember, please don't talk about me when I'm gone</p>

144	<h2 style="text-align: center;">Polkadots and Moonbeams</h2>
1	<p>A country dance was being held in a garden  I felt a bump and heard an, "Oh, beg your pardon"  Suddenly I saw polka dots and moonbeams  All around a pug-nosed dream</p> <p>The music started and was I the perplexed one  I held my breath and said, "May I have the next one?"  In my frightened arms, polka dots and moonbeams  Sparkled on a pug-nosed dream</p> <p>There were questions in the eyes of other dancers  As we floated over the floor  There were questions but my heart knew all the answers  And perhaps a few things more</p> <p>Now in a cottage built of lilacs and laughter  I know the meaning of the words? Ever after?  And I'll always see polka dots and moonbeams  When I kiss the pug-nosed dream</p>

146	<b>Red Sails in the Sunset</b>
1	<p>Red sails in the sunset, way out on the sea  Oh, carry my loved one home safely to me</p> <p>He sailed at the dawning, all day I've been blue  Red sails in the sunset, I'm trusting in you</p> <p>Swift wings you must borrow  Make straight for the shore  We marry tomorrow  And he goes sailing no more</p> <p>Red sails in the sunset, way out on the sea  Oh, carry my loved one home safely to me</p>

Why should I go?  She'd be unhappy without me, I know  I got a woman, crazy for me  She's funny that way</p>

153	<b>Smile</b>
1	<p>Smile though your heart is aching  Smile even though it's breaking  When there are clouds in the sky, you'll get by  If you smile through your fear and sorrow  Smile and maybe tomorrow  You'll see the sun come shining through for you</p> <p>Light up your face with gladness  Hide every trace of sadness  Although a tear may be ever so near  That's the time you must keep on trying  Smile, what's the use of crying?
